

Child Nutrition Programs Pre-Approved Equipment List

Why it Matters:

Proper procurement of any goods and services ensures the purchase does not become an unallowable cost.

Requirements:

State agency approval is required **before** procuring any equipment:

- shared** with a program other than the Child Nutrition Program(s), or
- is \$25,000 or more per unit cost, or
- is **not** listed in the equipment list below.

Does your procurement check one of the boxes above?

Request approval by submitting the USBE CNP Equipment Purchase Form.

State Agency approval is not required if the unit cost of an item on the list below is less than \$25,000.
