Career and Technical Education provides all students access to high-quality, rigorous career-focused programs that result in attainment of credentials with labor market value. [Credentials of Value](#)

Utah CTE classes are open to all qualified students without regard to race, color, national origin, sex, disability, or age.

Advice to Students

“Enroll in CTE, you will not regret it! CTE classes will undoubtedly help you see what you want for your future and help in your journey of self-discovery. I have not taken a CTE class in which I did not learn something about myself or a skill that will help me in the future and in life.”
