 **CTE** Learning that works for Utah

DISCOVER AND **EXPLORE** what you will learn by participating in one of the following **CAREER PATHWAYS**:

Engineering Career Pathway

Prepares students for careers in a variety of engineering disciplines by developing skills in the design process and offering multiple opportunities to respond to engineering design challenges in a meaningful and disciplined manner.

“The CTE courses I completed guided me towards my future career. I did not know what I wanted to go into and taking these courses convinced me to go into engineering. I have gained so many valuable skills from taking CTE courses that will help me not only in the workplace but in my everyday life. Taking CTE courses in engineering showed me a glimpse of what working as an engineer will be like.”
