

HEALTHCARE & HUMAN SERVICES

 **CTE** Learning that works for Utah

DISCOVER AND EXPLORE what you will learn by participating in one of the following **CAREER PATHWAYS**:

Family & Human Services Career Pathway

Prepares students for employment in careers that relate to families and human needs such as counseling and mental health services, family and community services, personal care and consumer services.

Health Science Career Pathway

Prepares students for employment and/or continuing education opportunities in healthcare through technical instruction in the classroom, experiential education in the laboratory, work-based learning opportunities in clinical settings, and leadership skills through HOSA.

Personal Care Services Career Pathway

Prepares students with/for professional licensure in the hair, skin, and nail service industries including cosmetology, hair design, barbering, esthetician, or nail technician.

“By taking the CNA and EMT courses in high school, through the Health Science Pathway, I’m better prepared to enter the workforce. These courses allowed me to gain hands-on learning and on-the-job training through internships, and receive instruction from actual teachers who work in the field.”
