

THE ULTIMATE LEADERSHIP EXPERIENCE

Mission: To promote personal growth and leadership development through Family and Consumer Sciences education.

- Family, Career and Community Leaders of America (FCCLA) is a nonprofit national Career and Technical Student Organization (CTSO) for young men and women in Family and Consumer Sciences education, in public and private school grades 6-12.
- Since 1945, FCCLA members have been making a difference in their families, careers, and communities by addressing important personal, work and societal issues through Family and Consumer Sciences education.
- Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop the skills for life-planning, goal setting, problem solving, decision making, and interpersonal communication necessary in the home and workplace.
- FCCLA chapter projects focus on a variety of youth concerns, including teen pregnancy, parenting, family relationships, substance abuse, peer pressure, the environment, nutrition and fitness, teen violence, and career exploration.

"I have learned life skills, employability skills, and leadership skills. I have held leadership positions and have participated in internships. The things I have gained from CTE and FBLA have helped me decide on becoming a Family Consumer Sciences teacher. I have gained skills and opportunities that have helped me become who I am today."

Sage, Utah FCCLA State President

GOALS

Utah FCCLA Chapter Goals 2024-2025:

1. Increase FCCLA involvement.
2. Hold an activity to help members become better leaders
3. Increase awareness of your chapter by getting involved in school events.
4. Complete the Financial Fitness national program and submit application to national FCCLA.

SERVICE

As FCCLA members work together, they become aware of themselves, their responsibilities as citizens, and their roles as future community leaders. This year, Utah FCCLA members have partnered with the Utah Food Bank to raise \$5,000 and 2,500 pounds of food. Utah FCCLA chapters will be hosting food drives throughout the year.

TEACHING

As FCCLA members complete service projects within their school and community, and as they participate in competitive events, they demonstrate their ability to teach members of their families, schools, and communities. "I love being around these kids. They have so much energy and a love for learning. I want to continue in my pursuit of an education in teaching," said Kristen.
