"Choosing to study architecture at Career Tech High School was the first major leap in my CTE story. It ultimately led me to run for my SkillsUSA chapter presidency and get elected as chapter president. I am so grateful for the countless opportunities my school has offered me and so many of my peers. Schools that participate in CTE are preparing the next generation of workers in ways never seen before, and I'm all here for it!"

Kristi, SkillsUSA Utah State Officer

In Utah, CTSOs align with the national CTE Career Clusters® and 32 CTE Career Pathways.

The SkillsUSA Framework illustrates how students fulfill the mission of the organization to empower members to become world-class workers, leaders, and responsible American citizens. SkillsUSA builds and reinforces self-confidence, work attitudes and communications skills. It emphasizes total quality at work—high ethical standards, superior work skills, life-long education, and pride in the dignity of work.

# GOALS

## SkillsUSA Utah Goals for 2024-2025: Ignite Your Potential

1. Enhance chapter quality and performance through the Chapter Excellence Program.
2. Increase the number of active chapters across Utah.
3. Boost student engagement by encouraging greater participation in SkillsUSA Utah events.

# SERVICE

SkillsUSA members don't just have a great passion for what they can achieve, but also for what they can contribute. SkillsUSA Utah strongly encourages student members to actively seek opportunities to provide service to their local communities throughout the year, with a special emphasis on service activities during SkillsUSA Week, February 2-8, 2025.

# TEACHING

SkillsUSA has effective and far-reaching classroom instruction in employability and leadership skills. SkillsUSA is an applied method of instruction for preparing America's high performance workers in public career and technical programs, providing quality education experiences for students through leadership, teamwork, citizenship, and career skill development.

## SkillsUSA: No Limits

"We are SkillsUSA. We are proud. We stand united as one. We are more than a crowd. We are a movement of career-ready students. We have grown by improving our personal skills. We have learned through enhancing our workplace skills. Now we must lead by utilizing our technical skills. It is time to carry our momentum, strengthen our communities, for a better workforce, for a better future. We will further our legacy by inspiring others for a brighter tomorrow. The future won't wait."
