## RE: FINE ARTS AND CTE COURSE ALIGNMENT UPDATE

In December of 2024, the following CTE courses were approved to grant Fine Arts credit toward graduation on a case-by-case basis, depending on student needs:

- Commercial Art 1/2/3
- Commercial Photo 1/2/3
- Digital Illustration, Digital Media 1/2/Advanced
- Digital Media Capstone
- Graphic Print Design 1/2/3

These courses have been approved to grant Fine Arts credit as they cover Utah's [Core State Standards for Fine Arts](#). For more resources on course codes and Educators Assignment requirements, see the following:

- [SY25 Active Core Codes for Fine Arts courses](#)
- [SY25 Educator Assignment Requirements](#)

For the CTE or potential Fine Arts courses not yet identified with a code or to align with the Fine Arts core standards, LEAs can contact CACTUS database steward Kristin Campbell at [kristin.campbell@schools.utah.gov](mailto:kristin.campbell@schools.utah.gov) for CACTUS support, and K-12 Fine Arts Specialist Liz Bunker at [liz.bunker@schools.utah.gov](mailto:liz.bunker@schools.utah.gov) for more information on how to apply for a new code.

To Grant Fine Arts Credit, educators must have:

**CTE educator requirements:** to grant this credit, CTE educators must have a secondary license and one of the following CTE endorsements:

- [Multimedia](#)
- [Commercial Photography](#)

- [Commercial Art](#)
- [Production Graphics](#)

**Fine Arts Educator requirements:** All other Fine Arts credits approved for graduation require an educator to hold a secondary license and a Visual Arts endorsement.

For more information to obtain the CTE endorsement, contact:
