Minimum School Program - Budget Detail Tables
2024 General Session
Notes on Appropriated Budget

1. Administrative funding for certain MSP categorical programs can be found in the "MSP Categorical Program Administration" line item in the State Board of Education's budget. Adding program and administration funding will provide the full-cost for the program.
2. One-time funding appropriated by the Legislature in FY24 or FY25, as follows:
 - a). 2024 - Small District Base (Part of NESS) - \$3.6 m, Enrollment Growth Contingency - \$19.1 m, and Students At-Risk Add-on - 586,500, Pupil Transportation - \$6.0 m, Educator Salary Adjustments - \$9.1 m, Charter School Funding Base - \$1.9 m, Grow Your Own Teacher and Counselor Program - \$7.2 m, Beverley Taylor Sorenson Ele. Arts - \$2.5 m, Educator Professional Time - \$64.0 m, English Language Learner Software - \$5.0 m, and Flexible Funding WPU Distribution to 4th-6th Class County Schools - \$30.0 m.
 - b). 2025 - Beverley Taylor Sorenson Elementary Arts - \$1.0 m, Charter School Funding Base - \$3.6 m, Educator Professional Time - \$74.0 m, Effective Teachers in High Poverty Schools - \$801,000, At-Risk Students - Gang Prevention and Intervention - \$2.4 m, Teacher Supplies and Materials - \$8.4 m.
 - c). Uniform School Funds transferred one-time from the Voted & Board Local Levy Programs to the Grades 1-12 program to manage anticipated nonlapsing balances in the programs at the end of FY24. If this transfer is too high relative to the final state-cost of the guarantee for FY24, under 53F-2-205(3) the State Board of Education can transfer funding from the Basic School Program to balance. If a nonlapsing balance still remains in the programs at the close of FY24, under 53F-2-601(6) the State Board of Education may distribute the balance to qualifying school districts. In FY24, the Board distributed \$12,661,000 in balances to qualifying school districts.
3. Includes approximately \$4.3 million in funding for student transportation at the Utah Schools for the Deaf and the Blind.
4. Local school districts levy a tax rate for their contribution to the Charter School Local Replacement program. The revenue generated from the tax is deposited into the Education Fund Restricted - Charter School Levy Account and appropriated to the program.
5. Income Tax Fund Restricted accounts created by the Legislature funded from state fund "savings" generated through increased property tax revenues collected by various tax rates that are part of the Basic Levy. When local school districts pay more of the cost of WPU's from the property tax, less state revenue is required. This state revenue is transferred to the restricted funds to support other education programs.
6. The State Guarantee Rate is set by the State Board of Education in their Legislative Estimates allocations after calculating the state guarantee rate based on funding appropriated by the Legislature. The state guarantee rate is calculated each year by the State Board of Education based on appropriated amounts.
7. The revised year includes the expenditure of anticipated nonlapsing balances remaining from the prior school year as provided in 53F-2-304(10).
8. Includes an additional \$126.0 million in anticipated collections above the budgeted estimate in FY23. This amount increases the anticipated closing nonlapsing balances for the basic school program due to local revenues contributing more to the cost of WPU's than estimated, requiring less funding from the Uniform School Fund. The Legislature transferred this balance back to the Income Tax Fund in FY24.
9. The Legislature increases the total number of WPU's appropriated to the following programs: Students At-Risk WPU Add-on - An additional 5,493 WPU's to increase the Economically Disadvantaged (ED) and English Language Learner (ELL) student factors based on a 10-year phase-in (one 10-year increment). The WPU weightings increase as follows: ED from 0.1 to 0.125 and ELL from 0.04 to 0.0475. The statutory rates at full implementation are set as follows: ED at 0.3 and ELL at 0.1.
10. Includes the calculated Charter School Local Replacement rate for FY25 at \$2,267 per student plus \$50 per student add-on amount to distribute \$4.0 million to reduce the two-year lag in data used in the CSLR rate calculation. This funding was first appropriated ongoing in FY23 (2022 GS).
11. Nonlapsing balances are adjusted each year based on prior-year close-out. In a given year, the Legislature may also transfer unobligated balances back to the Income Tax Fund for re-appropriation through the budget process. Please refer to the Compendium of Budget Information (COBI) detail online at budget.utah.gov for details.
12. The Legislature eliminated categorical funding for the following programs: Title I Schools in Improvement - Paraeducators at \$300,000, Early Literacy Program at \$14,550,000, Elementary School Counseling Program at \$2,100,000, and the ongoing funding for Effective Teachers in High Poverty Schools at \$801,000 and Students At-Risk - Gang Prevention and Intervention at \$2,381,200. These funds were reallocated to increase WPU weightings for the Students At-Risk WPU Add-on Program outlined in Note 9. One-time funding was provided in FY 2025 for the Effective Teachers in High Poverty Schools and Gang Prevention and Intervention programs, program funding reductions will take effect in FY 2026 unless additional funds are appropriated by the Legislature.
13. The Legislature reallocated funding for the Pupil Transportation - Rural Transportation Grants to the Necessarily Existent Small Schools Program and the Pupil Transportation - Rural School Reimbursement Program to the State Board of Education - Contracted Initiatives and Grants Line Item.
14. USF Restricted - Automobile Driver Education Tax Account - Legislators expanded the use of the account to include expenditures on pupil transportation and other items appropriated by the Legislature. They appropriated \$2.0 m from the account to the Pupil Transportation To & From Program and reduced the ongoing Uniform School Fund appropriation by a like amount.
15. Enrollment Growth Contingency - ongoing funding to fund WPU's in excess of the appropriated number for Kindergarten students. As LEAs transition to full WPU weighting over-time, these funds can be accessed by the State Board each year to balance projected to actual WPU's.
16. In FY 2026, the program the Teacher Salary Supplement program will convert to a new program named "Salary Supplement for Highly Needed Educators" as outlined in S.B. 173, *Market Informed Compensation for Teachers (2024 GS)*. Local Education Agencies will determine qualifying teachers based on statutory provisions instead of certain stat-determined qualifying teacher categories.

*53F-2-601 states that changes in the certified tax rate are held harmless for a period of five years following any change in the rate due to changes in property valuations. Therefore, Districts receive the maximum rate from the current year and the preceding five years up to the maximum guarantee of 20 increments.
