Budget Revision - View Revisions in Progress

When a budget revision is required in Utah Grants, a pending task is generated. However, it may be useful to see a comprehensive list of all pending budget revisions. These instructions will help you find and check the status of pending budget revisions for your organization. Please note that revisions are in two tables, Submitted and Unsubmitted Budget Revisions.

External User

1. In Utah Grants, click on your Grants Tab, then click the Budget Revisions tab (left side).

2. From here, you can review any submitted or unsubmitted Budget Revisions. You can see the status and the revision type. You can review the Budget Revision information by selecting the green eye (right side).
