FROM: Ben Rasmussen, Executive Secretary  
Utah Professional Practices Advisory Commission

SUBJECT: Nomination to the Utah Professional Practices Advisory Commission

DATE: April 22, 2025

State Superintendent Sydnee Dickson is soliciting nominations for positions on the Utah Professional Practices Advisory Commission. UPPAC reviews investigative reports, holds hearings, considers evidence, and makes recommendations to the Utah State Board of Education on educator licensing. **One position is open for a three-year term beginning on July 1, 2025.** The position must be filled by a licensed educator whose primary responsibility is teaching.

A candidate nominates himself/herself by submitting a completed application form, a letter of interest, and a resume or C.V. Application materials are due on or before **May 31, 2025** to:

Ben Rasmussen, Executive Secretary  
Utah Professional Practices Advisory Commission

The Superintendent and Board strive for a balanced representation from throughout the state when making appointments. Members who will continue to serve on the Commission are from the Canyons, Davis, North Sanpete, Ogden, and Salt Lake School Districts, Excelsior Academy, Hawthorn Academy, and Southwest Educational Development Center. This does not rule out applicants from these LEAs; however, applicants from other areas of the state may be given preference. The Superintendent seeks gender, ethnic, and geographic diversity, as well as a balance between elementary

and secondary representation. Applicants from charter, private, and parochial schools may also apply. Once an educator applies for the Commission, UPPAC staff will retain the application for consideration if vacancies arise, if the educator is not initially selected.

**Please encourage outstanding educators in your schools and L.E.A.s to apply for positions on the Commission. Attached is a copy of the applications.** The membership of this committee is even more critical and interesting due to current issues in educator ethics. Members of UPPAC may receive license renewal hours for time spent in Commission meetings and hearings and USBE will reimburse LEAs for substitutes and member travel costs.
