

Stronger Schools Start with Commitment

Help Build a Culture Where Every Day Counts

Did You Know?

Nearly 1 in 4 Utah students were chronically absent in the 2024–2025 school year.

Missing just 2 days a month is all it takes to put students at risk of falling behind.

Showing up consistently helps students stay on track, feel connected, and reach graduation.

As a leader, your influence matters. Join the Utah Statewide Attendance Challenge and help create a culture where every student feels **valued, supported, and ready to succeed**. Together, we can break down barriers and make every day count.

How Your School can Lead the Way

Unite Your Whole School

Bring everyone together; students, teachers, and families, to create a shared commitment to attendance. Kick off the challenge at a school event and showcase posters around campus.

Empower Teachers to Connect

Support teachers in taking daily attendance and nurturing positive relationships that encourage students to show up every day.

Track Progress Together

Share your school's attendance story with a mid-year update by January 15, 2027. Together, we can see how far we've come.

Engage Families as Partners

Collaborate with families and school groups to spread the word and build support for attendance goals that benefit every student.

Celebrate and Inspire Your Community

Share your successes and inspire others by being featured on the USBE website as a proud participant in this statewide effort.

Join a Movement that Makes a Difference

Boost Student Success

Regular attendance builds stronger skills and engagement.

Strengthen Connections

Build trust and teamwork between schools and families.

Increase Performance

Improve test scores, classroom culture, and graduation rates.

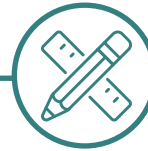

Reach Every Student

Support all learners, especially those facing the biggest challenges.

Inspire Others

Be featured on the USBE website and spotlight your success.

Use Proven Tools

Access ready-to-use resources, templates, and data support from USBE.

Ready to Make Every Day Count?

Join the Utah Statewide Attendance Challenge today and lead the way in building a culture where every student shows up, stays connected, and succeeds.
