Sharciga Utah wuxuu dhigayaa in LEA ay u oggolaan karto arday inuu sameeyo adeeg beddelkii khidmad "si loo hubiyo in ardayna aan loogu diidin fursad uu kaga qaybqaato fasal ama waxqabad uu dugsigu maalgeliyo ama la taageero awood la'aantiisa inuu kharashka bixiyo awgeed." Haddii loo bandhigo, ardaygu wuxuu dooran karaa inuu sameeyo adeeg beddelkii khidmad, laakiin **degmo dugsiiyeedku kuma waajibin karto arday inuu sameeyo adeeg beddelkii laga cafin lahaa khidmadda**. Laakiin, arday codsanaya ka dhaafitaan safar labaad oo dugsigu maalgeliyo waa inuu la sameeyaa qorshe hawleed qoran maamulaha si uu gacan uga geysto adeegga dugsiga ama bulshada. Qorshe hawleedka waa in lagu jaangooyaa duruufaha gaarka ah ee ardayga, kartidiisa, iyo helitaanka, waana in loo qaabeeyaa si looga fogaado faragelinta mas'uuliyadaha waxbarasho ama shaqsiyeed ee ardayga.

**XADKA KA DHAAFITAANKA KHIDMADDA SAFARKA:** Ka dhaafitaanka khidmadaha safarrada uu dugsigu maalgeliyo (safar laba habeen ama ka badan) waxay ku kooban yihiin **ugu badnaan laba safar ardaygiiba sannad dugsiiyeedkiiba**, sida ku xusan Qaybta Xeerka Utah 53G-7-504. Xaddidaaddani ma khusayso safarka la xiriira hawlaha gobolka dhexdiisa ah ee uu maalgeliyo urur, sida ku qeexan Qaybta Xeerka Utah 53G-7-801. Dhammaan ka dhaafitaannada khidmadaha waxa sidoo kale lagu xaddidayaa wadarta guud ee lacagta ee ay ansixisay guddiga maamulka LEA.

Haddii ardaygaagu uu doorto inuu sameeyo adeeg ama uu dhammaystirayo qorshe hawleed safar labaad, waxaa jira ikhtiyaarro aad ka dooran karto inaad ku dhammaystirto adeegga. Ikhtiyaarada adeegga waxaa ka mid noqon kara: Service at the school, such as custodial work, tutorial assistance to other students, or service outside of regular school hours as a student aide to school staff;

- Adeegga dugsiga, sida shaqada xannaanada, caawinta casharrada ardayda kale, ama adeegga ka baxsan saacadaha dugsiga caadiga ah iyadoo ah kaalmo arday uu siinayo shaqaalaha dugsiga;
- Adeegga bulshada sida guriga kalkaalinta ama isbitaalka; ama
- Marka baahiyo gaar ah loo baahdo, guriga ku adeeg.
- Barnaamij kale oo adeeg ama tabarucaad ah oo la xiriira dugsiga oo uu ansixiyey maamulaha ama qofka loo magacaabay.

Dugsigu waa inuu hubiyaa in shaqada loo xilsaaray ay ku habboon tahay da'da ardayga, xaaladda jireed ee ardayga, iyo bisaylka ardayga. Shaqadan waa inay sidoo kale la jaanqaaddaa sharciyada gobolka iyo kuwa federaalka, oo ay ku jiraan Xeerka Heerarka Shaqada ee Federaalka ee Caddaaladda ah. Tani waxay u baahan tahay in adeegga la qabto 1) muddo macquul ah gudaheed, 2) saacad kasta oo adeeg ah waxaa lagu xisaabiyaa ugu yaraan lacag la mid ah mushaharka ugu yar ee hadda jira, iyo 3) saacadaha adeegga ee la shaqeeyo maalin kasta iyo toddobaadkasta waa xaddidan yihiin iyadoo loo eegayo da'da ardayga.

*Tusaale ahaan, haddii arday lagu qiimeeyo \$100 khidmadaha dugsiga siyaasadda dugsiguna ay ku salaysan tahay \$10 saacaddii oo ah dhibcaha adeeg, markaa ardayga waxaa laga yaabaa in la weydiisto inuu qabto ilaa 10 saacadood oo adeeg ah.*

Shaqooyinka adeegga waa in loo qabtaa si aan ardayda loogu ceebayn, loogu jeesjeesin, ama loogu ceebayn, oo aan loo siinin faa'iido gaar ah oo toos ah shaqaalaha dugsiga ama qoysaskooda. Intaa waxaa dheer, hawlaha adeegga waa inay ka fogaadaan culays xad dhaaf ah oo saaran ardayda iyo qoysaska isla markaana ay si habboon u tixgeliyaan baahiyaha waxbarasho iyo gaadiid iyo mas'uuliyadaha kale ee ardayga.

**Haddii ay soo baxaan duruufo aad ugu adkaynaya ardayga inuu dhammaystiro hawsha adeegga, isla markiiba u sheeg maamulaha dugsiga si uu u go'aamiyo wixii hagaajin ah ee la samaynayo.**

Ardayda adeegga looma tixgelin doono inay yihiin shaqaalaha kuwa ay adeegga u fidiyaan, lacagna looma siin doono ardayda ama dugsiga si loogu beddelo adeegga. Shaqaalaha caadiga ah ee ka shaqeeya meelaha ay ardaydu ku qabtaan adeegyada lama beddeli karo, mana la dhimi karo saacadaha shaqada, taasoo ka dhalatay hawlaha adeegga ee ardayda. Adeeggu waxaa loogu talagalay inuu kabo adeegyada jira, ee ma aha inuu beddelo kuwa ay hore u sameeyaan dadka kale.
