QUINN KELLIS	<p align="center">Coordinator Technology Supported Learning (801) 538-7785 quinn.kellis@schools.utah.gov</p>	<p>Greetings and Happy Holidays! During this very festive time of year, there is an abundance of joy, but there are also many who struggle. Please take care of your friends and loved ones...AND YOU! Thank you for your incredible service to the students in Utah. You provide a lifeline for students who would otherwise never have access to quality curriculum and quality teachers. Thank you for every phone call, every email and every message as you communicate with students, parents and other adults who also care for students. I wish you the very best holidays! Quinn Kellis</p>
CORY KANTH	<p align="center">Educational Specialist (801) 538-7660 cory.kanth@schools.utah.gov</p>	<p>Please remember to work on your "Leading by Design" coursework if you have chosen to participate in this option in lieu of monitoring centered around course content. Also note that additional staff can benefit from this content also (with 1.5 USBE credits attached) through Midas, using this information: <i>Course name : Leading by Design</i> <i>Course ID/ Number : 63542</i> <i>Registration Link</i> <i>Leading by Design- Registration - General Public</i> Email cory.kanth@schools.utah.gov to enroll in this public-facing course.</p>
KIMBERLY HOWARD	<p align="center">SEATS Program Specialist (801) 538-7826 kimberly.howard@schools.utah.gov</p>	<p>Place the CACTUS course code into the title of each course when creating Official Transcripts - example: Language Arts 10 (06020000050). We are finding that registrars and counselors are getting confused by the different titles of courses. If you create an SSID for a student, please send that SSID to USBE so it can be added to the student's SEATS record.</p> 
BRITANNI TAYLOR	<p align="center">SOEP Licensing Program Specialist (801) 538-7504 britanni.taylor@schools.utah.gov</p>	<p>Our Q2 check-ins are progressing smoothly. Thank you for dedicating your time to these concise yet comprehensive meetings. If you have any additional questions about the closure processes for the fall semester, please contact me. The USBE website is undergoing a redesign and will be launching a new version on December 29, 2024. Hopefully, this update will bring about welcomed changes, making it easier for providers to navigate and access information.</p>
