This measure aims to provide an exceptional enrollment experience for students and parents participating in the Statewide Online Education Program. If a provider wishes to implement this practice immediately (strongly encouraged) please inform Kimberly Howard at USBE. Otherwise, <i>the effective date will be July 01, 2025</i>, allowing the provider time for any necessary workflow adjustments.</p>

<p><b><u>BRITANNI TAYLOR</u></b>  <b>SOEP Licensing Program Specialist</b>          (801) 538-7504</p>	<p><b>2024 Annual Core Standards Survey:</b></p> <p>Each year, the Utah State Board of Education (USBE) administers an <a href="#">annual survey</a> seeking feedback from educators, parents, students, and other interested community members on Utah's Core Standards. Core Standards serve as the basic knowledge, skills, and competencies each student is expected to acquire or master as the student advances through the public education system. The survey provides USBE with key insights into potential need for revision to the current standards. You can review the current core standards by visiting <a href="https://www.schools.utah.gov/curr/utahcorestandards">https://www.schools.utah.gov/curr/utahcorestandards</a>. The survey will be open for 30 days, from July 23 to August 23 and the results are expected to be reported to the Standards and Assessment Committee on September 6, 2024. Thank you in advance for your engagement in this feedback process.</p> <p><b>SOEP and My Tech High:</b></p> <p>The Statewide Online Education Program (SOEP) provides eligible public, private, and homeschool students the opportunity to earn credits for middle school and high school graduation through publicly funded online courses. SOEP operates independently and is not associated with My Tech High. For detailed information, parents or students should consult their LEA Principal, Counselor, or District Office. Specific inquiries regarding My Tech High and Nebo School District can be directed to officials at the Nebo School District.</p>
