SEATS Lock Dates 2027-2028

Until the accounting process for the current month has been completed, SEATS will be locked to status changes on the following dates. *This lock is for status changes only. All other activities can be performed in SEATS as usual, including enrollments.*

Online Providers will receive an email reminder prior to each lock date. After the accounting process is complete, an additional communication will be sent to confirm that SEATS is unlocked.

Please note that in cases of extenuating circumstances, lock dates may be subject to change. If any adjustments are necessary, Online Providers will be promptly notified to ensure appropriate planning.
