

How to use this paper version of the Transition Elevated App:

Teachers/Parents: Use this paper version to teach vocabulary, transition concepts and the transition planning process. Students should complete the paper version prior to using the App to assist the student in using the App effectively.

Students: Use this paper version to practice before you create your transition plan with the App. Using this will make your plan on the App easier and smoother. Ask a parent or teacher for help if you don't understand some the questions or words.

Right now I am:

- 14 or 15 years old
- 16 years old or older
