

# Utah State Board of Education (USBE) Youth in Care and Attendance Support (YICA) Mentor Webinars

## Utah State Board of Education

### Introduction

Each online seminar session starts with a mindfulness technique or activity that participants can incorporate into their practices, followed by a Check & Connect core-component review, and guest presenter(s) who share their expertise on a wide range of topics. Also, as we end each webinar session, 15 minutes will be dedicated to mentor breakout rooms to allow participants to ask USBE C&C Trainers problems of practice or continue conversations with guest presenters.

Each month the USBE Mentor Team sends email invites and reminders to the LEA staff, which includes the Zoom meeting links and session agendas.

**Who Should Attend:** All of Utah's Youth In Care (YIC) and Prevention C&C mentors, coordinators, Education Transition and Career Advocates (ETCAs) and other interested education staff.
